

Copeland Amateur Swimming Club Registered Charity Number: 1103769

Copeland ASC was formed by the amalgamation of the Whitehaven and Egremont swimming clubs in 1986 and is run by a team of dedicated volunteers under charitable status. The club will be hosting their 25th Anniversary Gala on Saturday 15th January 2011 at Copeland Pool. The main event will be the Jubilee Relay event in which a boy and a girl from two age groups swim all four strokes of a Medley Relay between them in an attempt to reach the final and win prizes up to the value of £40. This event is sure to attract some fast swimmers from across the County and will be well worth experiencing. Other events throughout the day will result in awards for the fastest swimmers in each event and also awards graded against age groups.

All spectators will be welcome to come along and give our swimmers their support and soak up the atmosphere. The morning session warm up starts at 09:00 with the first event commencing at 10:00. The afternoon session warm up begins at 14:45 with the first afternoon event starting at 15:45.
